DETAILED ACTION

1. This application is in condition for allowance except for the following formal matters:

A) Non-elected Claims 27 and 30-42 must be canceled.

Prosecution on the merits is closed in accordance with the practice under *Ex parte Quayle*, 1935 C.D. 11, 453 O.G. 213.

A shortened statutory period for reply to this action is set to expire **TWO MONTHS** from the mailing date of this letter.

2. Applicant is advised that the non-elected method claims have not been rejoined with the allowed product claims because they are not of the same scope as said product claims. For example, independent Claim 27 recites a method of inhibiting a rejection response employing any immunotoxin, whereas allowed product Claim 26 recites a specific UCHT1-DT immunotoxin fusion protein construct.
